This bright attic apartment is located on the 4th floor of a corner historic apartment building with an elevator, on a quiet side street in an attractive district near Jiřího z Poděbrad Square with its iconic church and close to two parks.

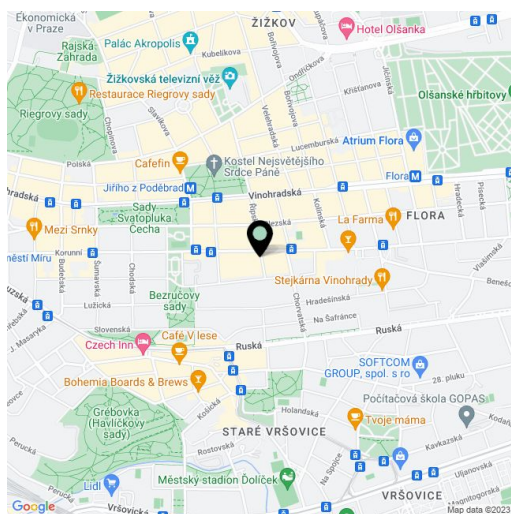

The layout consists of a living room with a kitchen, a bedroom, a bathroom (with a bathtub, toilet, and bidet), a separate toilet, and an entrance hall.

The French windows of the living room face the courtyard and a large attic window illuminates the air-conditioned bedroom. The wooden parquet floors are newly sanded. The heat source is a gas boiler. The building is nicely maintained and has an elevator.

An excellent location in the wider city center, in a place with a complete infrastructure. Just a few steps away are cafes, restaurants, shops, and a metro station and tram stop. This elegant district is very pleasant thanks to several landscaped parks, including the nearby Svatopluk Čech and Bratří Čapků parks.

Floor area 49.6 m².
