Parking	-
Cellar	Yes
PENB	G
Reference number	100524

\* Area of the unit according to the Civil Code. The area consists of the sum total area of the entire unit bounded by perimeter walls.

**This incredibly spacious apartment with high ceilings, a balcony, and a loggia is the only one on the 3rd floor of a classic brick apartment building from the turn of the 19th and 20th centuries. The building with an elevator is located near Lužánky Park in an elegant part of Brno with a complete infrastructure.**

The almost two-hundred-meter area of the apartment consists of a living room, a kitchen with a dining room, 4 large rooms, a bathroom, 2 separate toilets, a closet, a walk-in wardrobe, and a large hallway. **The balcony and loggia face the quiet green courtyard.**

The current floor area of the apartment was created in 1997 by joining two neighboring units. Facilities include original casement **wooden windows, parquet** and tiled floors. The ceiling height is **3.6 m**. The apartment is heated by a gas boiler. The apartment comes with **2 large cellars** (8 sq. m. and 20 sq. m.). The size of the apartment ensures space to create comfortable family living or re-dividing it into a smaller and larger unit. Its location high on the 3rd floor guarantees privacy from the hustle and bustle of the street. The building is planning to **replace the elevator** in 2023; parking is possible on the street in front of the building in the blue zone for residents.

**A great location** with excellent access to the city center by tram and bus. There are supermarkets and other shops, pharmacies, schools including **several high schools**, restaurants, and cafes in the immediate vicinity, and it is close to a **swimming pool, winter stadium, and tennis courts**. Just a few steps away is the **beautifully landscaped Lužánky Park**, with children's playgrounds and other sports opportunities.

Floor area 183.5 m<sup>2</sup>, balcony 4.2 m<sup>2</sup> and loggia 5.1 m<sup>2</sup>.

In addition to regular property viewings, we also offer real-time video viewings via WhatsApp, FaceTime, Messenger, Skype, and other apps.
