\* Area of the unit according to the Civil Code. The area consists of the sum total area of the entire unit bounded by perimeter walls.

### € 300 701 | CZK 7 504 000

This new, bright apartment finished to a high-quality standard with parking is part of a residential project that was completed in 2023 in the wine-growing village of Želešice on the outskirts of Brno, near the Bobrava Nature Park.

The area of the 2nd floor apartment consists of a living room with a kitchen, 1 bedroom with a **walk-in wardrobe**, a bathroom (shower, toilet, sink), a closet, and a foyer.

Floors are hardwood (rustic natural oak) by a Czech manufacturer and large-format windows with aluminum frames and insulating triple glazing ensure plenty of daylight. The high-quality facilities also include Italian Alfalux Pietre Pure ceramic tiles, Porta interior doors with black Cobra Gaiga handles, entrance fire door with chip access, a custom-made kitchen equipped with built-in Whirlpool (refrigerator, hob, electric and microwave oven, hood) and Electrolux (dishwasher) appliances. Gas central heating. Residents of the building can use the pram room, bike room, and common cellar. The apartment comes with 1 outdoor parking space in the enclosed courtyard.

The village, located in a **wine-growing region**, has a kindergarten and elementary school, grocery stores, a cafe, and **a riding club**. Complete civic amenities are available in Brno, with which the village has fast bus connections. A major advantage is also its easy connection to the D52 highway in the direction of **Vienna**. The location is characterized by beautiful nature, and Želešice is immediately adjacent to the **Bobrava** Nature Park, with **Pálava** not far away either.

Floor area 68.3 m<sup>2</sup>.
