The practical layout of the apartment consists of a living room with a kitchen, a bedroom with a **walk-in wardrobe**, a bathroom (bathtub with a shower screen and **thermostatic battery**, toilet, sink with a high-quality custom-made bathroom cabinet, a niche, and heated towel rail), and an entrance hall. All of the windows of the apartment face **southeast towards a park** and are located higher than 2 m from the sidewalk.

The floors have completely new or refurbished **parquets** in a classic **tree pattern**, the entrance door in **bottle green** has a **period profile**, and the kitchen is fully equipped, including a built-in dishwasher, **induction hob**, combined microwave oven (with a baking function) and a large fridge with a freezer subtly hidden from the side. The historic building is in good condition, has a refurbished facade, a modern elevator, and newly **renovated common areas**. It is possible to purchase a **parking space** on the neighboring street and a **part of the garden** in the inner courtyard for **private use**.

**An excellent address** in Vinohrady, right by the upper entrance to the **English-style Grébovka Park**. Everything you need is within easy walking distance, nearby is an outdoor gym, grocery store, and other shops, restaurants, several cafes, or the Pilotů cinema. A tram stop is about a 5-minute walk away, and it only takes a few more minutes to get to the Náměstí Míru metro station.
