The apartment is suitable for permanent or recreational living as well as for investment purposes. **Estimated completion 3Q/2027.**

You can easily get to the **uniquely preserved historic core of the town** on foot or by bike. With a **rich spa tradition and lively food scene**, it's located in one of the most sought-after recreational places in the Czech Republic, excellently accessible by car, for example, via the D3 highway, but also by public transport (the train station is on the main railway corridor).
