This brand-new apartment with a terrace is part of the modern ZORA Harrachov project, which brings a fresh perspective on mountain living. The popular resort, located amidst the beautiful nature on the border of the Jizera and Krkonoše Mountains, offers excellent skiing conditions in a modernized ski area that will allow skiing from December to April. The completion date is planned for Q3/2027.

The area of the 3rd floor apartment consists of a living room with a preparation for a kitchen, 2 bedrooms, a bathroom (with a **walk-in shower**), a separate toilet, and a hallway with space for a pantry. It will be possible to enter the **northwest-facing terrace** from the living room and one of the bedrooms.

Facilities include **large French windows** with aluminum frames, wooden interior doors, vinyl floors, large-format tiles, **underfloor heating**, a **recuperation unit**, and a preparation for air-conditioning and shading. The price includes a cellar, and a garage parking space can be purchased. Residents will have access to a **spacious ski/bicycle storage room** and a **common room** with a kitchen.

The project is located near the **forest** in a quiet part of Harrachov. Thanks to the planned return of **international ski jumping competitions**, the entire resort is currently being gradually modernized. The rich offer of local activities is further expanded by the nearby **Polish Polana Jakuszycka sports complex**, the starting point of cross-country trails connected to the **Jizera Highway**. Harrachov is easily accessible, and the drive from the outskirts of Prague takes about an hour and a half. Direct bus connections are also available.

Floor area 59.58 m², terrace 12.95 m².
