A luxurious, stylish duplex apartment after careful reconstruction and with its own garage parking space is located in a historic building with an elevator right in the center of Florence, the cradle of the Renaissance and a UNESCO World Heritage Site.

The entrance level of the apartment (4th floor of the house) consists of a large airy reception hall with kitchenette, bathroom and master bedroom with dressing room and large en-suite bathroom. The turret with its own bathroom is ideal as a studio or second bedroom.

The property has undergone a **masterful renovation**, for example the **terracotta floor** with **hexagonal tiles** and **star decorations** has been preserved. The living room impresses with its **original fireplace** made of finely decorated **engraved stone** and a ceiling with exposed beams, the ceiling height at the highest point is **8 meters**. Large windows overlooking the street ensure a rich supply of daylight. The apartment comes with a large **garage space** (approx. 25 m²) in the basement of the building, the house is equipped with an **elevator**.

A **unique location** in the heart of the **historic center of Florence**, in close proximity to **Piazza della Signoria**, inhabited since the Bronze Age, or the **Basilica of Santa Croce** founded in **1222**. Other important monuments are also within easy reach, such as the **Uffizi Gallery**, Piazza del Duomo with its incredible **cathedral**, the **Medici Palace** and the adjacent basilica decorated by artists Michelangelo and Brunelleschi. Shops and boutiques are just a few meters from the building, as are all necessary services. There are direct flights from Prague to Florence, the journey by car takes about 10 hours.

Floor area 220 m².

* Area of the unit according to the Civil Code. The area consists of the sum total area of the entire unit bounded by perimeter walls.
