Atypical 4-bedroom family house with an independent studio, built in 2007 and located in a prestigious residential area of Prague 6 – Střešovice boasting numerous parks, good public transport links to the center and all amenities.

This end terrace house has a total of 4 floors. In the basement there is a studio apartment with a terrace, a spacious bathroom with bathtub and toilet, dressing room, and a cellar. The ground floor consists of a garage, entrance hall and a large living room with kitchenette and French windows (walkthrough to the garden). The 1st floor features 2 bedrooms, 2 bathrooms, and a separate toilet. The last 2nd floor consists of 1 bedroom with a short staircase leading to the attic, which can also be used as a smaller bedroom or study.

The house has **wood and tile floors**, new wooden windows, alarm, **massage shower**. Heating is provided by a gas boiler.

Attractive and sought after address in the **immediate vicinity of Ořečovka**, 2-minute walk from a tram and 3 minutes from nursery and primary schools.

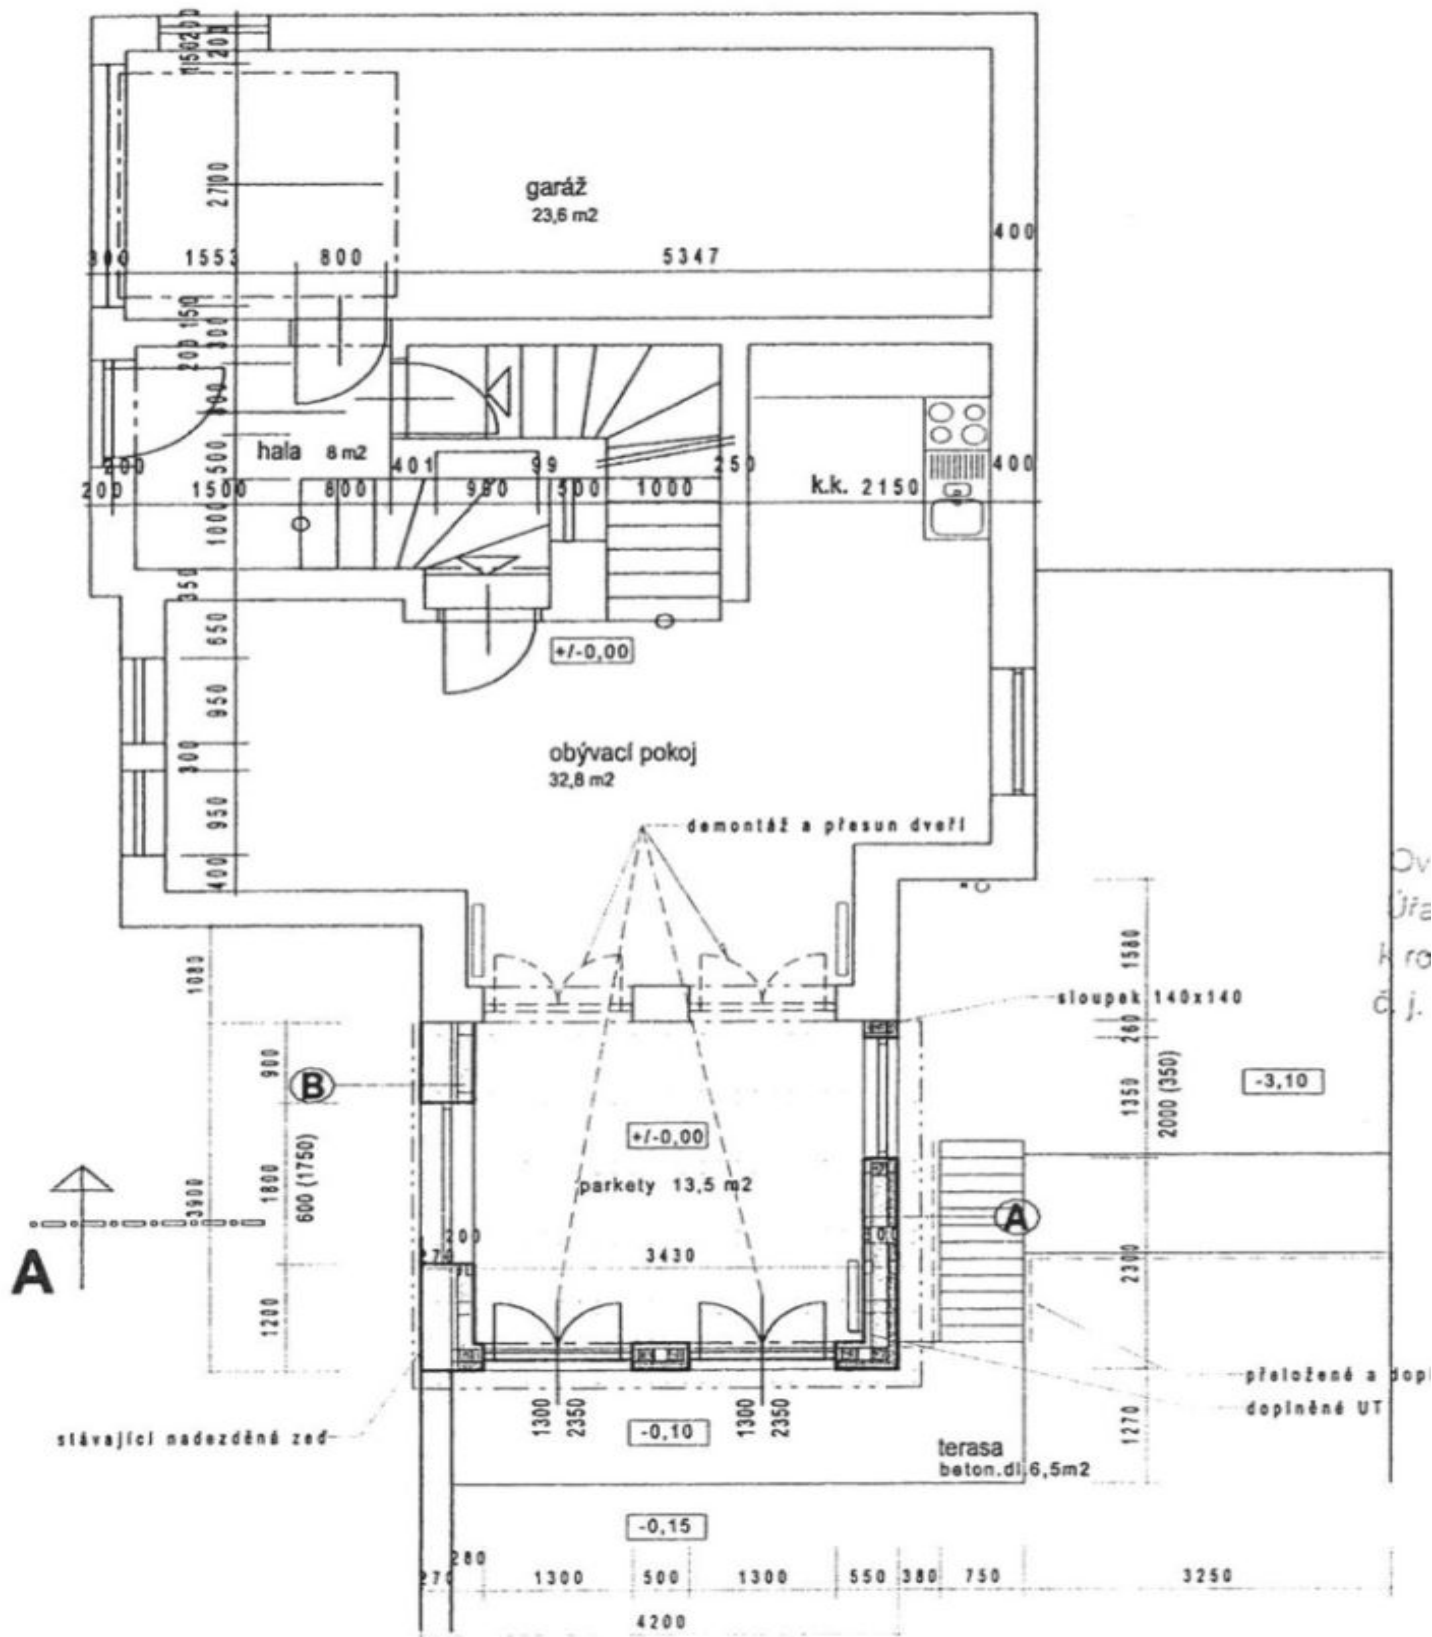

Interior 240 m², footprint area 84 m², garden 191 m², plot 275 m². EPC is being processed.
