Unique project that features a combination of modern office architecture with renovated historic buildings. The primary concept behind the project was to combine industrial architecture from the early 20th century with the most up-to-date technologies, thereby creating a unique, timeless space.

Location:

The project is located in Prague 7, close to the Nádraží Holešovice metro, as well as the Vltavská (line C) and Palmovka (line B) metro stations. Various tram stops (Dělnická, Ortenovo náměstí) are a 3 minutes' walk and provide connections to the building / metro. In the area there are a number of primary transportation routes, including access to the D1 and D8 (Berlin) highways.

Features and Services:

Representative receptions with 24/7 access
Onsite facility management
Security 24/7
Underground parking
Visitor parking
Bike racks including showers and changing rooms
Central air-conditioning system with possibility of individual regulation
Openable windows, internal sun-blinds
Raised floors with floor boxes
Optical cable connection
CCTV, EPS, sprinklers
Magnetic card access system
Target to reach BREEAM EXCELLENT certification

Rental and service charges are listed without VAT. Lessee pays no commission.
