Object, which was designed by the world-renowned architect Eva Jiřičná, offers up to 3,700 sq. m of efficiently designed office space in an attractive design. The building is located on the border of Rohanský nábřeží, Invalidovna Park and the Vltava riverbank. A unique feature of the building is the generously proportioned shared terrace, which offers beautiful views of the city. The proposed occupancy of the office space per person is 8 sq. m.

Location:

The project is located within walking distance of the Invalidovna metro station (line B) and tram connections. The Můstek metro station (line A, B) is 7 minutes away, the Václav Havel Airport is 20 minutes away by car and the Prague Ring Road is 5 minutes away.

Features and services:

Terraces
106 parking spaces in underground garages
4 shared parking spaces for electric cars with the possibility of recharging
24/7 reception
4 elevators
Bike shed for 32 bikes
Fitting rooms, showers
Clear height of 3 m
Double floors
Sprinklers
Openable windows
Cooling fancoils
Heating
LED lighting technology
Passive shading on the south facade
Outdoor blinds
