This bright apartment with a terrace, premium equipment, and a parking space is located on the 8th floor of the V Tower building, a new Prague landmark and unique residential project with services that are standard in the world's capital cities: a private spa, wellness area, gym, or cinema.

The open-plan living area with plenty of natural light offers a sleeping and relaxation zone (with a sofa bed), a dining area, and a kitchen. A **glass wall** impressively connects the interior with **the terrace**, which lies high above the ground. There is also an entrance hall, a storage room, and a bathroom with a partially separate toilet.

The **Poggenpohl Sedlak kitchen**, equipped with integrated **Siemens appliances** (electric oven with a grill, refrigerator with a freezer, dishwasher, washing machine with a dryer, induction hob, extractor hood), basket system, **stone worktop**, and glass tiling, is ready for comfortable use. The floor is made of **quality wood.** The apartment is protected by a security system. The unit has a garage parking space in a lockable space with an electrical outlet and lighting.

The building was designed and implemented by a team of experts from around the world and uses renewable energy sources, only **non-hazardous materials**, gentle **cooling**, heating, and ventilation, intelligent management of electricity consumption, and a comprehensive water saving system. Residents have access to a wide range of high-level services, including a **24hour reception** and technical management, a **spa and wellness area, a gym**, or a private cinema.

The unique, 104-meter-high V Tower building is **surrounded by a park** in an area that, thanks to its location and excellent accessibility, attracts a number of important Czech and international companies. In the immediate vicinity is the Arkády Pankrác shopping center, a **metro station, the large Central Park**, a wide selection of restaurants and cafes, and other high-level services.

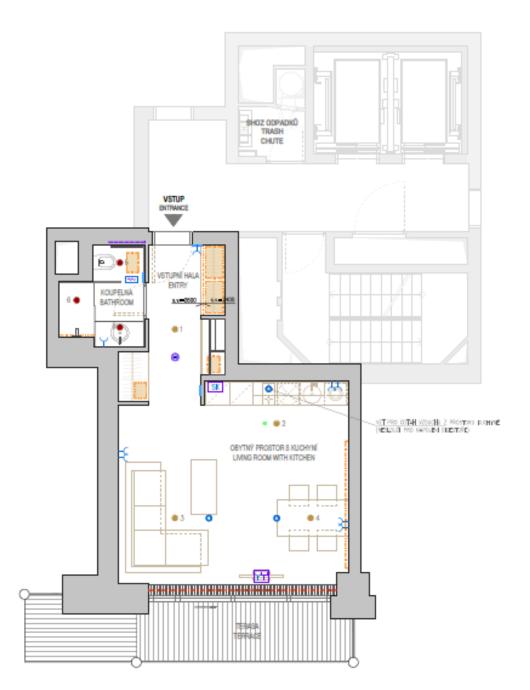

Useable area 45.1 m², terrace 11.8 m², parking space 17.5 m².
