The layout consists of an entrance hall, a living room with access to the **spacious balcony** (11 sq. m.), a kitchen with a pantry, a master bedroom with space for a walk-in closet, two additional rooms, and 2 separate bathrooms. The living room and two bedrooms face south.

**Close and at the same time far enough from the busy center of Bratislava** —this is how the location of the newly established gated Slávičie Residence can be described. The timeless residential area is known for its greenery and beautiful architecture, and is home to several **embassies**. And nearby? The Vinarium coworking center, for starters. Also, the Cubicon shopping center with restaurants and a fitness center, a Montessori kindergarten, a botanical garden, or the Zoo. You can get to the Danube River by car in 10 minutes.
