This designer apartment with views of a picturesque courtyard is part of the exclusive VII House project—a house that is currently being refurbished at a prestigious address on Valdštejnská Square, in a place with an incredibly strong genius loci. The building's long and rich history, modern Czech design, and facilities from premium brands form a combination that ensures absolutely unique living.

The unit consists of a living room with a preparation for a kitchen and direct views of a green courtyard, as well as a bathroom and a hallway.

The offered studio is located on the ground floor in the oldest part of the house; the **original vaulted ceilings** reflect the building's history. The interior design is by the **Formafatal studio** of architect **Dagmar Štěpánová**. Floors are **oak in a chevron pattern.** Facilities include **designer Agorà radiators** by the Italian brand TUBES, underfloor heating in the bathroom, a **Villeroy & Boch** sink, a Hüppe shower tray, a **Tece** toilet, **Bongio** faucets, and **Invisidoor** doors with concealed hinges and **DND Handles.**

The attractive neighborhood in which VII House stands is exceptional due to the presence of the Senate and the Chamber of Deputies and the immediate proximity to Charles Bridge and Prague Castle. The house is in the middle of Malá Strana, yet tucked away from the main tourist routes. It's only a few minutes' walk to a tram and metro station, with beautifully landscaped palace gardens, Petřín Gardens, and Kampa Park with the romantic Čertovka nearby. Famous restaurants and stylish cafes can be found in the immediate vicinity.

Floor area 31.9 m².
