The layout consists of a living room, a kitchen, a dining room, a bedroom, a bathroom (with a shower), a separate toilet, and a foyer. One room has access to the **loggia**. The original layout was 3-bedroom.

The unit was **completely renovated** and equipped 2 years ago, and everything has been **unused** since then. There is also a kitchen fitted with appliances and a custom-made **metal bookcase** serving as a partition between the rooms. Heating is central remote. The apartment comes with a **cellar storage unit**. The brick house from 1965 with an elevator is well maintained, and the facade is currently being insulated.
