* Area of the unit according to the Civil Code. The area consists of the sum total area of the entire unit bounded by perimeter walls.

This apartment with a large terrace facing the courtyard is located on the 3rd floor of a historic building with a beautifully decorated facade. The elegant building is located on a one-way side street in New Town, not far from Wenceslas Square and Charles Square or the Franciscan Garden. The apartment is suitable both for primary living or short-term rentals.

The layout consists of a living room with access to a **two-level terrace**, a separate kitchen, 1 bedroom, a bathroom (with a bathtub and toilet), and an entrance hall.

The interior is cozy due to **parquet** floors in a classic tree pattern. The kitchen is fully equipped. There is a **built-in grill** on the terrace. The facade, common areas, and elevator of the building with a total of 33 units was reconstructed in 2019.

The building is located on a small street away from the main tourist routes, but at the same time within a short walking distance of everything you need. There are many restaurants, cafes, and clubs, the **National Museum**, cinemas, theaters, and the **State Opera** nearby. The location is excellently accessible by all metro lines and trams, and the **Main Railway Station** with many national and international railway connections is also within walking distance.

Floor area 57.6 m², terrace 19.5 m².
