Sale of an ideal co-ownership share of 17/24 (70.83%) in a set of two apartment buildings from 1910 with the potential of an attic conversion, extensive cellar spaces, and a large plot allowing parking in the courtyard. The group of houses is located right next to a park and the Palmovka metro station, an area that is awaiting an extensive revitalization. Due to the size of the property and the attractive location, the property is suitable for a residential project.
