Parking	-
Cellar	Yes
PENB	G
Reference number	106052

\* Size of the unit according to the Housing Act.

The area consists of the sum total of the internal area of every room.

**An apartment of more than one hundred meters with a loggia towards a quiet green courtyard is offered on the 2nd floor of a boutique residence, which allows living in Art Nouveau settings at a great address in the wider center of the metropolis in Vinohrady.**

The area of the apartment is purposefully divided into social and private zones. The social part is represented by a generously designed living room with preparation for the kitchen, with windows facing the street. The private zone consists of the master bedroom with **en-suite bathroom, walk-in wardrobe** and access to the **south-facing loggia** and the second bedroom. From the central entrance hall there is access to all the rooms, to the bathroom and to the separate toilet.

**Casement windows**, replicas of the original **cassette doors or decorative stucco** refer to the history of the building, modern elements include **Frevini parquet floors** in a chevron pattern, large-format tiles and floor tiles by the Italian Fondovalle brand or **Treemme** designer bathroom faucets in a **bronze shade**. The **air conditioning** will ensure an optimal temperature even on hot days, and the home's gas boiler will take care of the heating. The apartment comes with a **cellar**. The house has representative common areas and a **modern elevator**, there are only 2 apartment units on the floor.

Cafes, restaurants, shops, private kindergartens, elementary, secondary and **high schools**, the **Na Vinohrady Theater** or the **U Hasičů Theater** operate in the immediate vicinity. Excellent transport accessibility is provided by the metro line A, the station is only a few minutes' walk from the house, and tram stops are just as close. The nearby **Riegrovy Sady** or the nearby **Havlíčkovy Sady parks** offer the possibility of escaping from the hustle and bustle of the city.

Floor area 151.57 m<sup>2</sup>, loggia 6.8 m<sup>2</sup>.
