This new apartment with a spacious southeast-facing balcony is located on the 3rd floor of the modern Corso Harrachov building, situated in the center of a renowned mountain resort, just steps from the cable car to Devil's Mountain. The resort offers top-tier services, making the apartment ideal not only for personal use but also for short-term rentals.

The layout consists of a main living area with a preparation for a kitchen, a separate bedroom, a bathroom with a toilet, and an entrance hall. A balcony runs along the full length of the living room wall.

This energy-efficient building was completed in 2024 and offers a high standard of completion, including wooden floors, wooden paneling in the bathroom, flush veneered doors (the entrance door has security hardware), and Grohe bathroom fixtures in a Hard Graphite color. A storage unit and outdoor parking space can be purchased. Residents have access to a private wellness zone with a sauna and panoramic views, as well as a reception, lobby, café, with breakfast service, a game room, a children's play area, and ski and bike service facilities.

Harrachov is home to a wide selection of restaurants and cafés—a renowned bakery, a grocery store, and a pharmacy are just a short walk away. The surrounding area features countless hiking paths and nature trails. The town is easily accessible.
