This studio apartment is part of the unique Mrakodrap residential project. The residence, the result of the conversion of a high-rise residential building from 1969, is emerging in the wider center of Moravská Ostrava. With its 24 floors, it remains one of the tallest structures in the city today. Eva Jiříčná and Petr Vágner’s renowned AI • DESIGN studio is behind its new form and appearance, which underscores the Moravian-Silesian city’s commitment to sustainability.

The layout of this unit on the 5th floor consists of a corner living room with a preparation for a kitchen, a bathroom, and a foyer. The **quality facilities** include **triple-glazed large-format aluminum windows**, vinyl floors, **large-format tiles**, a **walk-in shower**, and brand-name sanitary ware. The apartment has a **recovery unit and underfloor heating** (cooling in the summer); central heating. The apartment includes a **cellar storage unit** and a **garage parking space** for an additional fee in a newly built neighboring structure.

Right in the **center of Moravská Ostrava**, its location allows you to have everything within easy reach—stores including shopping malls, restaurants, cafes, doctors’ offices, galleries, and theaters. **Komenského Sady Park** is just a few steps away and you can quickly get to the bike path along the Ostravice River. Excellent public transport is ensured by trolleybuses, trams, and buses with nearby stops and Ostrava’s main railway station is also close-by.

* Area of the unit according to the Civil Code. The area consists of the sum total area of the entire unit bounded by perimeter walls.

Floor area 31.88 m²
