A unique opportunity to purchase a 16,034 m² plot of land with a building permit for the construction of a 5-star hotel in the peaceful and quiet area of Faros on the island of Santorini, considered one of the most beautiful islands in the world.

The plot is situated on a gentle slope, offering open views of all the main landmarks of the island, as well as the surrounding islands of Thirasia and Aspronisi, while the islands of Milos, Folegandros, and Sikinos can be seen in the distance.

A building permit has been issued for the construction of a five-star hotel with a total area of 3,022 m², which will include 46 rooms, 18 swimming pools, and a main building. The permit is valid until 2028.

Located on the breathtaking island of Santorini with its romantic atmosphere, this offer represents an exceptional investment opportunity thanks to its size and unique location. Plots with valid building permits are extremely rare here due to strict regulations and the protected landscape. The location of the plot offers peace, beautiful nature, and proximity to historical sites.

Total area: 16,034 m².
