The generously designed layout of the penthouse features an open-concept living room with a dining area and a spacious kitchen, a **master bedroom** with a walk-in closet and en-suite bathroom (bathtub, shower, toilet, double sink), and two additional bedrooms, each with its own bathroom and walk-in closet. Additional spaces include a separate guest toilet, a utility room, an entrance hallway, and a private foyer with direct elevator access. The **southwest-facing terrace** is accessible from all rooms.

The penthouse will be completed in a **premium design** with meticulous craftsmanship and **two available finish options** for flooring, kitchen, and bathrooms. The interior will feature a **custom Italian kitchen** with a **natural stone** countertop and top-of-the-line **Gaggenau** appliances, pre-installation for smart home technology, provisions for designer lighting and an integrated audio-video system, and **THG Paris** bathroom fixtures with handcrafted stone vanity units. Sliding glass doors and **large-format windows** will accentuate the modern architecture and offer uninterrupted views.

FAENA RESIDENCES MIAMI consists of two glass towers connected by a striking **Sky Bridge** at a height of 213 meters, where levels 61, 62, and 64 will form a vibrant social, cultural, and **wellness center**. The luxurious common areas will include a grand entrance lobby, beautifully landscaped gardens, padel and tennis courts, lounges, a bar, a fully equipped **fitness center**, a **swimming pool** with relaxation zones, and a **private marina** with nautical concierge services.
