The logistics park offers A-class warehouse, industrial and office space for lease near the village of Pohořelice. The total area of the park will be approximately 111,000 m². The first and second phases include four buildings designed with sustainability, high technical standards, and low operating costs in mind. The premises are suitable for storage, logistics, or light manufacturing. Halls 3 and 4 can have a clear height of up to 18 meters. These spaces are ideal for companies focused on automation and multi-story mezzanines within the hall or for automated high-bay warehouses. Available within 7 months of signing the contract.

Location:

A significant advantage of the complex is its strategic location near the R52 expressway, just 25 km south of Brno in the direction of Vienna. The location ensures excellent transport accessibility and access to a skilled workforce. This makes the park an ideal solution for companies looking for a modern and well-connected base in the region.

Facilities and services:

- A-class industrial premises
- BREEAM Excellent New Construction
- Flexible units (warehouse / light manufacturing / office / showroom)
