The layout consists of an entrance hall and a spacious living room with a kitchen, from which there is access to a south-facing terrace. From the entrance hall there is further access to two rooms, a bathroom with a toilet, and a separate toilet.

The apartment is handed over in a shell-and-core condition, featuring underfloor heating connected to a separate electric boiler with a hot water storage tank, floors prepared for final flooring, walls finished with a white hygienic paint, complete water, sewage and electrical installations, an entrance door, and modern windows with high-quality insulation. If finished to a higher standard, the apartment is complemented with wooden floating floors in the living areas, interior doors with frames, installed light fixtures throughout the apartment, and a fully completed bathroom and WC including tiles, wall cladding, a shower enclosure, a washbasin, and a toilet.

Donovaly is known for the PARK SNOW Donovaly ski resort, cross-country skiing trails, cycling routes, and numerous hiking paths. It is a popular resort in the heart of Slovakia, surrounded by the Low Tatras and the Veľká Fatra mountains. An advantage is the excellent transport accessibility – Donovaly is approximately a 25-minute drive from Banská Bystrica, a regional city with full infrastructure, a university, a hospital, and shopping centres. The towns of Ružomberok and Zvolen are also easily accessible.

The price of an outdoor parking space is €10,000; a garage parking space costs €20,000.

Interior area: 65.2 m², terrace: 16 m².
