2,636 m² of industrial, warehouse and office space for lease in the industrial park. The premises are suitable for industrial centers and light manufacturing, offer a high standard of equipment, and can be designed based on specific requests and requirements. Thanks to its location the park is suitable for domestic and international distribution and production. Under construction.

Location:

The park is located in the south Moravian region, just 8km south of Brno on the European route E65 towards Bratislava. The south Moravian region is regarded as a knowledge hub and logistics gateway, and is also one of the fastest growing business destinations in the country. The region boasts more than 1 million inhabitants, 13 universities with a focus on IT and science, and a strategic position near the Austrian and Slovak borders.

Features and Services:

- Flexible units (storage / office / light production / showroom)
- Onsite property management
- 24/7 security service and CCTV
- Park maintenance
- Sufficient parking space
- High standard of building

Industrial/Warehouse space:

- Dock levelers & loading ramps
- Dimension of entrance gate 4x4,5 m
- Floor loading capacity 5 T/m²
- Clear height 10,5 m
- Column grid structure 12x24 m
- LED Light
- Sprinkler system
- Utility connections (water, sewage, gas, electricity)

Office:

- Turn key office
- Clear height 2,75m
- Air-conditioning
- External blinds

Lessee pays no commission.
