Beautiful French colonial style cottage with a fireplace, in the picturesque area of Křivoklátské lesy Forest with magnificent views of the landscaped garden and surrounding greenery.

The house is designed primarily for seasonal housing and offers 3 bedrooms, a fully equipped kitchen that opens to the living room, 2 bathrooms and a dressing room. The main house has a square floor plan and is connected to a rectangular greenhouse that has been converted into living space. The brick greenhouse has a gabled roof and an abundance of glass, which ensures lovely views of greenery and a lot of natural light. Amenities include fireplace, solid wood floors and large format tiles, designer furniture from Art & Furniture and custom made furniture.

Interior of 180 m², plot 3500 m².
