Total area	6 537 m ²
Land type	Housing
Reference number	16690

Unique building plot for one house with fantastic views of the Slapská přehrada Dam and the surrounding forests, a mere 50 km from Smíchov.

The land offers **absolute privacy** with only one neighboring farm located about 200 meters away and a small cottage; surrounded by **woods**, very **good access** from the local asphalt road. The plot slopes down to the east of the Vltava River valley with a roughly 10-meter drop, with a connection to **electricity** and a drilled **well (drinking water)**. The municipality of Županovice - Zadní Háje is accessible from the village of Nečín, 12 km from the town of Dobříš.

Total area 6,537 m².

In addition to regular property viewings, we also offer **real time video viewings** via WhatsApp, FaceTime, Messenger, Skype, and other apps.
