**Spacious apartment boasting a terrace, located on the third floor of an attractive terraced house. It offers all the advantages of apartment building living and yet offers an abundance of privacy at the same time: There are two apartments situated in a story, with only one shared wall.**

Sunlight from the terrace next to the living room penetrates through a wide glass door all the way into an entry hall. From the hall there is an entry to a separate toilet and to a **guest room with an en-suite bathroom incl. a toilet**. The hall opens into a corridor with access to a technical room, a child's bedroom, the main bathroom and a **bedroom with a French window**. The living room, a kitchenette and a dining room offer generous space. On the terrace there is enough space for a big sofa and a flower bed.

The whole apartment has been thoughtfully renovated - with smooth **high-pressure laminate floating floors**, impregnated surfaces (that normally see the most wear and tear), **floor heating in bathrooms**, (thanks to that and additional electric heating you can heat up the floor in the main bathroom anytime), convector recessed into the floor in the living room, radiators, doors with **concealed hinges**, walls featuring **design wallpaper**.

**The apartment is sold with equipment:** Italian lamps for example, a cabinet in the entry hall or wine racks in the kitchen made to measure. The kitchen is equipped with an **extra large refrigerator** and a **separate freezer**, a granite sink, efficient hood, **cooling wine cabinet**, a durable ceramic working desk, and a rectangular stove & oven by **Siemens**. **Two parking spots** belong to the apartment.

The house is situated in the **calm district of Záběhlice** with troublefree exits from Prague. Close to a bus stop, and five minutes to the **Strašnická metro station (Line A)**. There is a kindergarten nearby, accessible via a sidewalk on the same side of the street; you can also find a primary school, health center, and a shopping center. The area also provides plenty of opportunities for **sports**.
