This spacious apartment with a loggia is part of a modern residence, which is located near the center in the sought-after district of Karlín, on the edge of a park and a short walk from a metro station and tram stops.

The apartment on the 3rd floor, set in a building with preparation for reception and security, features a spacious living room with a kitchen and southeast-facing loggia. There are also 2 bedrooms, a bathroom, a separate toilet and an entrance hall.

The three types of interior standards offered (CITY/STYLE/PREMIUM) include, for example, **solid three-layer oak floors**, large-format tiles, large windows, high-quality bathroom sanitary facilities and fittings, alarm, security door and videophone. Currently, client changes can be made. **The purchase price includes a cellar, parking space is for extra cost.**

The dynamically developing district of Karlín carries elements of European cities. The area boasts an abundance of greenery, cultural centers, schools of all levels, shops, cars, bars, and restaurants offering culinary delights from all over the world. The **Křižíkova metro station** (line B) and tram stop are just a **few meters** from the building, making travel to the city center easy, fast and convenient (just a few minutes).

Final inspection is planned for December 2019.

Interior 85.6 m², loggia 7.66m², cellar 3.53 m².

* Area of the unit according to the Civil Code. The area consists of the sum total area of the entire unit bounded by perimeter walls.
