Completely renovated apartment with 2 terraces on the 6th floor of the **Florian Residence**, situated on Vinohrady Street just a few steps from Flora Metro Station. The project originates in a late Functionalist building, which will acquire attractive communal areas with designer lighting, and a revitalized courtyard with an ornamental garden and a relaxation zone with a seating and barbecue area.

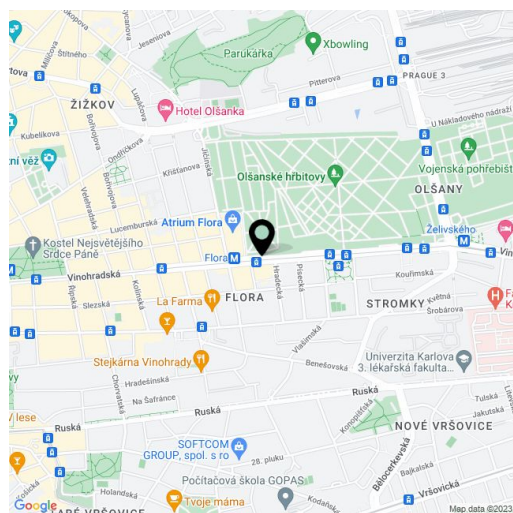

The layout consists of a spacious entrance hall, a living room with preparation for a kitchen unit and with access to a **terrace**. Furthermore, there is a bedroom with access to a second terrace, a bathroom, a separate toilet and a utility room.

Completion will include **new French windows with noise insulation**, **new parquet flooring**, modern equipped bathrooms with underfloor heating, new riser pipes and electric wiring, painting and a videophone in the foyer.

The location offers all the comfort of city living and **excellent transport accessibility** with a metro and tram stop right outside the building. A wide range of services are available in the area including many popular restaurants, stylish bistros and cozy cafes. The OC Atrium Flora shopping mall, the **farmers market** in Jiriho z Podebrad square and small shops are all nearby. Several fitness centers, yoga studios, and the nearby **Parukářka Park** and **Rieger's Orchards** provide venues for sports & leisure.

Photos are from a completed show flat in the project.
