As famous Czech writer Karel Čapek once said, "The most beautiful in the world are not things, but moments." Writers, architects, journalists, and art critics have all influenced 1930s events, including construction, which is exactly why so many beautiful timeless buildings were built... places where you don't just live but where you really experience life.

The layout of this spacious 2nd floor apartment oriented to 3 cardinal points offers a **generous southeast-facing living room** with an open plan kitchen and dining area. There is a master bedroom with a walk-in closet and a bright bathroom, another 2 bedrooms (1 with a private bathroom, 2 with walk-in closets), a spacious foyer and a hallway, 2 utility rooms, a bathroom, and a separate powder room.

The interior will include **solid oak parquet flooring** (in waxed oil), **large-format triple-glazed wooden windows with acoustic-insulation** and remote-controlled roller blinds, high-quality interior doors, a security entrance door (class 3), a controlled ventilation system with a **regeneration unit**, Laufen, Roca, and Aquatek sanitary ware, and a preparation for an intelligent home system. Currently, it is possible for clients to make changes, including modifying the layout. The apartment comes with a **cellar unit**, garage parking spaces are offered for additional price. The exceptional **energy-saving apartment building with a reception, elevator, camera system, and security** is **completely wheelchair accessible**.

Vinohrady - Art Nouveau and modern villas on one side, a noble villa on the other. A location where many prominent personalities of the 1930s lived, including the Čapek Brothers. Extensive green spaces can be found in the area including the **Havlíčkovy sady (Grébovka)** and **Riegrový sady** parks and perfect infrastructure including a dense urban transport network. Within walking distance, there are several kindergartens and primary schools, theaters, restaurants, cafes and bistros, a number of small shops and a large shopping center, and the farmers markets at **Jiřího z Podebrad Square**. The center is just a few minutes by metro and tram.

Total area 212.1 m<sup>2</sup>. Completion planned for Q2 / 2019.
