This apartment with a east-facing terrace is situated on the 1st floor of Residence U Hvězdy, which is currently being built. Residents can enjoy a private garden adjacent to the Hvězda River and pleasant living thanks to modern technologies and high-quality materials. A location with plenty of greenery, a rich selection of services, and quick connections to the city center and the airport. The completion is scheduled for 2Q/2021.

The interior is designed as a 2-bedroom apartment with a living room with a kitchen and dining area, an adjacent terrace, 2 bedrooms, a bathroom, a guest toilet, a walk-in closet, and a large entry hall.

The passive building ensures minimal energy costs and everyday thermal comfort regardless of the outdoor temperature. The high standard facilities include, among other things, a **heat recovery unit**, brushed oak veneer floors, large-format tiles (60x60 and 60x30 cm), heat and acoustically insulated maintenance-free **aluminum windows with exterior blinds**, or Villeroy & Boch, Hansgrohe, Grohe, and Huppe sanitary ware. Central heating from the central boiler room (with gas condensing boilers). Security is ensured by a camera and electronic security system, contactless key entry to the building, a NEXT security entrance door to the apartment (class 3), or a videophone with a color screen in the building. The unit comes with a **cellar**. It is possible to purchase a garage parking space. The garage is equipped with a **charging station for electric cars**.

Within walking distance, there are kindergartens and elementary schools, a high school, and shopping opportunities from small bakeries and farm shops to supermarkets. The residential area has an abundance of green spaces – gardens, landscaped lawns, mature trees, and playgrounds. Within easy reach are several large parks that are ideal for sports activities and relaxation: Hvězda Park, **Ladronka Park**, and the **Divoká Šárka** Nature Reserve. Another advantage is the Petřiny metro station, thanks to which **you will get to the city center within 10 minutes**. Equally fast is the drive to the airport. There are also several tram and bus stops nearby.

Floor area 83.9 m², terrace 5.5 m², cellar 3 m².

In addition to regular property viewings, we also offer **real time video viewings** via WhatsApp, FaceTime, Messenger, Skype, and other apps.
