Office space for lease on the ground floor in a modern administrative building designed by world-renowned architect Ricardo Bofill. The office space is equipped with cutting-edge technologies reflecting the latest trends in working methods, interpersonal communication and the use of related services. Separate entrance without central reception.

Location:

The new administrative and social complex is strategically situated in the unique location of the newly emerging business district of Karlín, by the Křížíkova metro station (line B), within walking distance of the city center. A location providing all the background you need – an abundance of services and ways of spending leisure time, tranquil yet bustling atmosphere. The complex is connected to the inner circle of Prague and other key communication centers.

Images might not accurately reflect the current state of the premises.

Rental and service charges listed without VAT. Lessee pays no commission.
