This logistic park offers storage, industrial and office space for lease just 2 km from the border of city Cheb. The park offers more than 138 000 m<sup>2</sup> of premises designed and constructed to the highest A class standard suitable for logistics, distribution warehousing and light production. Turnkey solution according to the client's requirements.

### Location:

The park is located just 2 km from the border of city Cheb. The park is perfectly surrounded by major industrial centers in Saxony and Bavaria, which are one of the most important areas of German industry, especially the automotive industry. In the northwest triangle between Cheb, Leipzig and Dresden we find several factories of the Volkswagen Group, BMW and Porsche. In the southwest triangle between Cheb, Munich and Ingolstadt we can find other BMW and AUDI, Siemens or Continental factories. Excellent transport accessibility is provided by the A93 / A9 / A4 / A72 motorways to Regensburg, Munich, Leipzig and Chemnitz. There is also a European railway corridor from Prague to Nuremberg. The connection of the adjacent border areas of Germany (Selb, Hof) with the Czech regions of Cheb and Sokolov provides a local railway line. Regular public transport between the industrial area, city of Cheb and Sokolov.
