The traditional layout of the 3rd floor unit consists of a living room with a **bay window**, a kitchen with a living area, a pantry, 2 bedrooms, a bathroom, a separate toilet, and a large entrance hall. The windows of the living room and kitchen face **southwest** towards the street; the bedrooms face the **courtyard**. The apartment has nice views of the greenery and the towers of Prague Castle.

The interior was renovated around 2012 and 2019. Windows, floors, and interior doors are **wooden**, and the kitchen with lacquered doors is equipped with granite **countertops**, tiles, and Gorenje appliances (incl. a steam oven). Bathroom fixtures are by the Noblessi and Paffoni brands. Heating is by a gas boiler. The building is well maintained and has an **elevator** that stops at the mezzanine floors. Parking is possible in front of the building in a residential area.

The Hradčanská metro station and tram stop are only a few steps away, and the Prague-Dejvice Railway Station is also within easy reach.
