Office space for lease in an administrative complex completed in 1997 and renovated in 2010. The building offers modern office space and consists of three parts - a historic building with a facade to Sokolovská Street and two former factory halls that have been completely converted into modern office buildings. The dominant element of the entire complex is a glass atrium, which connects the individual parts and creates a bright and pleasant working environment. Further reconstruction of the entire complex is planned for the second half of 2026.
