The ground floor consists of a living room connected to the kitchen and dining room, a hallway, a toilet, a closet, and stairs leading to the first floor. Here, there is a master bedroom with a balcony, a second bedroom, and a bathroom. The attic is configured as a study.

The new residence was established in 2014. High standard facilities include wooden Euro windows and floating floors (laminate and wood). Exposed beams create a cozy interior atmosphere. The kitchen and furniture are custom-made. Heating is provided by a condensing boiler. The apartment comes with 1 garage and 1 outdoor parking space at an extra cost (for an additional cost of CZK 500,000).

The location in the vicinity of the Hrnčířské Louky natural monument and near the Průhonice Castle Park provides a wide range of leisure activities - there are ponds, bike trails, playgrounds, and a sports complex nearby. There are also schools in the area, including international ones, and shopping opportunities in the nearby shopping malls. Transport connections are provided by buses; the ride to the Opatov metro station takes 7 minutes. Traveling by car is made easy due to the connection to the D1 highway and the Prague Ring Road.
