This bright apartment with the possibility of purchasing a garage parking space is part of the unique Nové Lauby residential complex. This new project is being created right in the center of Ostrava near Masaryk Square with a fountain, within walking distance of a full range of services and a park.

The layout includes an entrance hall, a living room with a kitchen preparation area, a bedroom, a bathroom with a toilet, and a loggia accessible from both the living room and the bedroom.

The project was designed by the renowned **znamení čtyř - architekti studio**. The new five-story building will be covered with **greenery**, and a **landscaped atrium** will be created in the complex's center. The interior is illuminated by **large-format windows** with aluminum or wooden frames and electrically operated blinds, while the floors will be three-layer **oak**. **There is a possibility to buy a parking space.**

The apartment complex will become a natural part of the historic center of Ostrava. In the area around Masaryk Square, you can enjoy cafes, restaurants, a shopping center, a museum, a cinema, or a library. Schools and the Antonín Dvořák Theater are a few minutes' walk away. Part of the city monument zone is the large park on Černá Louka and the Ostravice River is lined with bike paths.

Floor area 70.3 m², loggia 33.4 m², cellar 2.08 m².
