This nicely renovated apartment with a south-facing balcony is located on the 4th floor of an apartment building with an elevator in a quiet and green part of Zizkov, a neighborhood with complete services and good public transport access.

The practical layout consists of a living room with an adjoining kitchen, 2 bedrooms, a bathroom, a separate toilet, and a generously designed entrance hall with built-in wardrobes. One bedroom has access to a balcony overlooking the leafy crown of a tall tree.

The apartment was renovated in 2020 and in the spring of 2022 the building will be insulated and the balconies and doorbells with telecoms will be repaired. Windows are plastic with double-glazed panes. **Renovated parquet floors** in the bedrooms, vinyl floors in the living room and kitchen, and tiles in the bathroom. The Katalpa brand kitchen is equipped with built-in appliances, including a **wine fridge**. There is a custom-made library in the living room. Security front door, district heating.

A kindergarten is not far from the building, and an elementary school is only a few minutes' walk away. All other civic amenities are also within easy reach—a supermarket and smaller shops, a post office, a pharmacy, a health center, restaurants, and sports facilities. It takes about 5 minutes to walk to a tram and bus stop, the ride to the **city center** takes less than 20 minutes. The location is very nice thanks to **several parks**: Malešický Forest, Třešňovka Hill, Krejcárek or Židovské Pece.
