This bright apartment with the possibility of purchasing a garage parking space is part of the unique [Nové Lauby](#) residential complex. This new project is being created right in the center of Ostrava near Masaryk Square with a fountain, within walking distance of a full range of services and a park.

The layout consists of a living room with a preparation for a kitchen, 2 bedrooms, a bathroom, a guest toilet, and an entrance hall.

The project was designed by the **renowned Znamení čtyř - architekti studio**. The new five-story building will be covered with **greenery**, and a **landscaped atrium** will be created in the complex's center. The interior is illuminated by **large-format windows** with aluminum or wooden frames and electrically controlled blinds. Floors will be three-layer **oak** combined with large-format Betonico tiles (60 × 60 cm). The standard facilities also include a **video intercom**. There is a possibility to buy a **parking space**.

The apartment complex will become a natural part of the historic center of Ostrava. In the area around Masaryk Square, you can enjoy cafes, restaurants, a shopping center, a museum, a cinema, or a library. Schools and the Antonín Dvořák Theater are a few minutes' walk away. Part of the city monument zone is the **large park on Černá Louka** and the Ostravice River is lined with **bike paths**.

Floor area 96.8, cellar 2.08 m².
